

Step 4 of the National Roadmap at LMC for Students

From 19 July– 30 September 2021

The College will have a covid status of **GREEN**, **AMBER** or **RED**

The current status will always be visible on **The HUB** and when you log onto the **College network**:

Our current
Covid Status is
GREEN

GREEN controls when the College is operating without the need for additional covid controls (i.e. no PHE interventions)

- Anyone who tests positive MUST NOT attend site or College activities
- Anyone with any potential Covid (including cold type symptoms) MUST NOT attend site and should take a PCR test
- Remote education/home work will be available for those who test positive or must isolate
- Inform covidresponse@lmc.ac.uk if you test positive or are required to isolate
- Close contacts will be required to follow the self-isolation requirements issued on 16 August
- We strongly recommend that all eligible members of the college community have 2 vaccinations and any booster jabs as soon as possible
- The whole College community to continue twice-weekly home-testing
- Home-test kits are available on campus
- Frequent handwashing/sanitising to continue
- Face coverings to be worn in shared use internal areas
- Where possible you should avoid unnecessary close contact with others
- Continued enhanced cleaning schedule across College
- Each room will continue to have a hygiene/ cleaning kit
- One-way systems will still be in use in blocks, C, D and S

Our current
Covid Status is
AMBER

AMBER controls when the College is made aware of a statistically significant increase in positive cases affecting some parts of the College community by the Lancashire Public Health Team.

ALL GREEN CONTROLS APPLY, AND:

- Reintroduction of social distancing as required
- Reintroduction of bubbles as required
- Reintroduction of remote learning as required
- Further additional controls for clinically vulnerable and clinically extremely vulnerable people
- Cancellation/postponement of activities such as onsite open days, course trips & visits etc

Our current
Covid Status is
RED

RED controls when the College is required to significantly change its activities due to contact from the Lancashire Public Health Team or National Government

- Social distancing required
- Bubbles required
- Remote learning required
- Shielding for clinically and clinically extremely vulnerable people
- Cancellation/postponement of activities
