Full Time Courses and Apprenticeships

2021/22

Lancaster &  
Morecambe  
College

We are a  
**'Good' College**

"Learners say that they have fallen in love with learning again and their programmes help them to achieve their full potential."

*Ofsted Inspection Report, March 2020.*

# Welcome

Welcome to the 2021 course guide for Lancaster & Morecambe College and thank you for showing interest in being part of our College, an organisation of which I am very proud to be Principal.

We have a long and proud history of serving the communities of Lancaster, Morecambe and the wider area since 1824. We have high expectations for all of our students to be really positive members of our College community, as well as being ambassadors representing the College in the wider community.

All of our provision is shaped in partnership with our local employers, to ensure that you acquire the knowledge, skills and behaviours to help you really succeed in the future. We have invested around £15 million in our campus so you can be assured that when you're studying on your course, you have access to the latest equipment, developed in partnership with our employers.

It is really important that you make the best choice for you, so we encourage all of our prospective students to do as much research as they can, to really understand their career plans for the future and to understand the industries that they're planning to join, and we are on standby to support that journey.

So, finally from me, thank you for taking time to look at our Lancaster & Morecambe College course guide for 2021. We look forward to welcoming you, either virtually or in person, to one of our [Open Days](#), and hopefully to welcoming you to the campus as a student or an apprentice in the future.

Thank you.

Wes Johnson, Principal

*"Good" College as graded by Ofsted, 2020*

# Open Days

Our Open Days may be slightly different this year but we still want to give you the opportunity to meet our tutors, current students and support staff - and to find out about all of our fantastic facilities.

Our Virtual Open Days are an ideal opportunity to get to know our vibrant College community and find out what we can offer from our wide range of courses via phone conversations with our staff. As soon as we are able to, we will return to face-to-face Open Days but, until then, [for more information view our website.](#)

Don't forget, we are always here to answer any questions you have – just email us [hello@lmc.ac.uk](mailto:hello@lmc.ac.uk)

---

## [LMC Open Day](#)

Tuesday 22nd June, 4.30pm – 7pm

## [LMC Community Open Day](#)

Saturday 3rd July, 10am – 3pm

## [Advice & Applications Day](#)

Tuesday 27th July, 10am – 3.30pm

## [GCSE Results Open Day](#)

Thursday 12th August, 10am – 4pm

---

We are able to offer individual tours for prospective students, at a time that suits you – please just email [hello@lmc.ac.uk](mailto:hello@lmc.ac.uk) to arrange a visit.

# Reasons to Choose LMC

**£15m spent**

on improving and  
redeveloping campus  
facilities

**9 out of 10  
students**

go onto work or further study  
after completing their course

**Over 50 students**

travelled overseas as part  
of their course in one of **14  
countries** in 2019 preparing  
for global employment

**97%**

of Level 3 students  
progress positively into HE,  
further study or employment  
after graduating from LMC

**96% of apprentices**

gain employment upon  
completion of their  
Apprenticeship

We are proud to work with  
**700 employers**  
and growing across the  
region over 2019/20

# How to apply

Apply online  
**lmc.ac.uk**  
or click here

**Apply** ✓

## Step 1

Apply on our website **lmc.ac.uk**  
You'll need to create an account first.

## Step 2

Choose your appointment time.

## Step 3

After your interview you can accept or decline your offer via your account.

If you need any assistance at your interview, contact our Learning Support Team 01524 521571 or see the **Learning Support** section on our website.

# Student **Life**

It's not all about books and classrooms, our students have the opportunity to take part in a wide-range of activities, on and off campus.

*"Good" College as graded by Ofsted, 2020*

# Entry Requirements

Our courses offer you academic progression, so we have a course for you wherever your starting point. This page is designed to help you decide which is the right choice for you, based on our course entry requirements.

## Entry Level

No formal qualifications.

## Level 1

3 GCSEs at grade G/1 or higher plus grade F/2 or higher in English or maths.

## Level 3

5 GCSEs at grade C/4 or higher including English and maths OR a Level 2 related qualification PLUS grade C/4 or higher in both English and maths.

## Level 2

4 GCSEs at grade D/3 or higher including English or maths OR a Level 1 related qualification PLUS grade D/3 or higher in English or maths.

## Level 4

From 64 UCAS points dependant on course PLUS grade C/4 or higher in both GCSE English and maths. Advanced Apprenticeship or equivalent experience.

## Level 5

From 64 UCAS points dependant on course PLUS grade C/4 or higher in both GCSE English and maths. Advanced Apprenticeship or equivalent experience.

# English and Maths

At LMC, we are passionate and committed to helping you improve your English and maths skills, knowing that these will increase your opportunities in life, education and work.

To prepare directly for employment or university, you will need to have Grade 9-4 GCSE English and maths and we will do all we can to support you to achieve this.

These subjects will be an important part of your studies at College. If you do not have a Grade 9-4 GCSE, you will be working towards GCSE English and maths or Functional English and maths. If you have a grade 3, you will be studying GCSE as part of your course.

Whatever area you want to work in, English and maths skills are important.

# Student Support

The Team in The Hex are dedicated to helping you to make the most of your time at College, offering course and career advice, travel, study and financial help. Our Student & Learning Centre has a range of resources to help you with assignment work and knowledgeable staff available on hand at all times. We provide careers guidance, support with job search, UCAS applications and CV writing. [Read more](#)

## Learning Support

The Learning Support Team is here to help, too. We will work with you to identify how to support you best, and agree where reasonable adjustments will help you to study and achieve.

[Read more](#)

## Equality, Diversity and Inclusion

As an equal opportunities college, we will endeavour to offer everyone the same high-quality service. [Read more](#)

## Safeguarding

The Safeguarding Team are also based in The Hex and are here to help with any welfare or safeguarding issues. They work with a range of external agencies to ensure all of our learners get the support they require. [Read more](#)

## Tackling Inactivity

We have a dedicated Tackling Inactivity Team, who recognise that sport and physical activity can be extremely powerful in supporting positive social change, as well as helping to improve your physical and mental wellbeing. [Read more](#)

# Parents

At LMC, we are focused on preparing our students for real careers, independence and positive progression, providing them with skills and experience that sets them apart from the competition. We support our students to be self-directed, highly motivated and ready to progress onto higher study or employment. The College's well-established links with over 700 employers and work-related technical expertise means our curriculum is closely aligned with the needs of businesses, ensuring our students are well prepared for their future careers or continuing to study at university.

Our on-going partnerships with **Eden Project, Lancaster University, EDF & National College for Nuclear** open up opportunities for our students to participate in meaningful and relevant work placements and allows us to continually shape our curriculum to meet the needs of local, regional and national businesses.

## **More information**

*Learners and apprentices work well together with their employers, peers and their tutors. Consequently, they effectively develop skills such as confidence, resilience, patience, communication and independence. Learners develop an understanding of living in a diverse community and appreciate and understand each other's differences.*

Ofsted, 2020

In our recent parents survey...

**92%**

**are satisfied with the choice of this college**

**93%**

**found College staff friendly and welcoming**

*"Good" College as graded by Ofsted, 2020*

# How to find us

## **Students, staff and LMC Business & Conference**

**Centre visitors** - Sat Nav postcode LA1 2TZ, free car parking available.

**Visitors** - Sat Nav postcode LA1 2TY, free car parking available.

The nearest train station is Lancaster.

The Morecambe Road entrance is positioned just off the main cycle path.

There are regular public services buses, which all stop outside each of the entrances.

# Financial Support

## 16-18

### Learner Support Fund

A range of financial support from the Learner Support Fund is available to learners depending on their personal circumstances. [Read more](#)

### Course and exam fees

Study is usually FREE if you have been resident in UK/EU for a minimum of 3 years.

[Read more](#)

### Vulnerable Bursary

Additional funding may be available to young people dependant upon specific criteria.

[Read more](#)

### Free College buses

We operate a FREE Bus Service for full-time students on a number of routes (Carnforth/Cumbria/North Yorkshire). Free and discounted Stagecoach passes are also available.

[Read more](#)

### Course expenses

Funding for course expenses such as kit, uniform and extra curricula trips, may be available, depending upon your circumstances. [Read more](#)

### Lunches and free breakfast

FREE breakfast is available to ALL full-time students and free lunches are available for eligible full-time students.

[Read more](#)

# 19+

Students aged 19+ may be entitled to study for free, depending upon their individual circumstances; contact the Student Money advisors to discuss this further.

## **Advanced Learner Loans**

Advanced Learner Loans may be available for adult learners studying a Level 3 course. The loan covers tuition fees for students aged 19 or older who are studying further education courses at Level 3 and above. The loan is not means-tested and repayments only start after completing your course and earnings are over £25,000 per annum.

If you are under 24 and studying your first full Level 3, it is likely to be FREE.

*"Good" College as graded by Ofsted, 2020*

# Apprenticeships & Traineeships

## What is an Apprenticeship?

An Apprenticeship is a perfect choice if you want to continue your studies, by developing your skills, knowledge and behaviours, while also earning a salary and starting your long term career path.

Apprenticeships are available to anyone over the age of 16 and cover a wide range of employment sectors including; Fabrication & Welding, Hospitality & Catering, Digital Technology, Child Education and Sport.

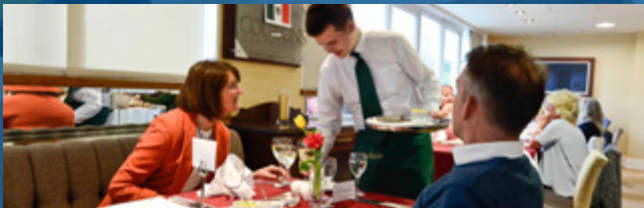

## More information

## What is a Traineeship?

Our Eden Project Traineeship Scheme combines a taught curriculum with high-quality work placement opportunities, in and around the Morecambe Bay District, across a range of sectors. Trainees participate in crucial community-based projects enhancing their citizenship, employability skills and their knowledge and understanding of sustainability.

# Art & Design

We know that the demand for skilled artists and designers is growing. You'll develop skills that are transferable into existing and emerging job roles. Choosing to study in the Art and Design department will give you access to fantastic industry standard facilities and you'll be working with a team of specialist designers and artists as tutors.

So, whether you think your future is as a photographer, or you are interested in graphics, illustration, fine art, furniture or fashion, we can start you on that career pathway. Our students produce really creative work, which allows them to build exciting portfolios that demonstrate a wide set of skills.

We encourage our students to be really ambitious about their future careers by applying to highly prestigious universities.

The creative economy accounted for

**158,000 jobs**

in the North West of the UK in 2018

# Creative Digital Media & Sound

Creative Digital Media & Sound offers huge career opportunities, from interactive media to moving image, from animation to web-design, games production and design and 3-D visualisation. LMC offers courses from Level 1 right up to Level 5, HND. You'll work in an industry standard digital environment with a range of software and hardware to produce creative solutions to media assignments.

Alongside the Creative Digital courses, we now offer an Esports Extended Diploma. This course explores the business, event management, production, planning and playing of competitive esports, which is a growing area of employment opportunities.

The Creative Economy accounted for

**3.2 million jobs**

in the UK in 2018 or

# Hospitality & Catering

Choosing to study a Hospitality & Catering Apprenticeship with LMC will give you access to a team of expert tutors who have personal experience of working at some of the UK's top hotels and restaurants. Through their extensive knowledge, you'll learn how to develop the skills and techniques needed to make it as a chef in a busy kitchen environment.

## Hospitality & Catering

The hospitality industry contributed

**over £133.5  
billion in 2019**

to the UK economy

*"Good" College as graded by Ofsted, 2020*

“The lecturers are unparalleled, their hard work and dedication to the students to progress within the industry was certainly a great support to start my career in Hospitality & Catering.”

# Business

Choosing to study in the Business department will give you access to an exciting subject that is relevant across all employment sectors. All organisations are businesses, so studying Business as an option allows you flexibility across a variety of sectors, whether that's fund-raising for a local charity or working abroad for a global blue-chip company. The teaching staff are well qualified with a breadth of experience in a number of industry sectors and students appreciate learning from people who have actually done it as well as teach it.

In 2020, there were approximately

**6 million private  
businesses**

operating in the UK
