

NEW Leadership & Management Training

We are pleased to announce that we have secured funding from the UK Shared Prosperity Fund (UKSPF) which is part of the new Government Levelling Up Project. As a college we will be supporting local businesses, entrepreneurs, volunteers and our local community with training and development in line with the local skills demand. We will also be supporting businesses with decarbonisation and promoting awareness of sustainable practices.

We will be commencing our **CMI Level 3 Awards in Leadership and Management**. Each award will be delivered in three sessions and will run over three full days in the **Employer Hub, Lancaster & Morecambe College**.

These qualifications are aimed at practicing or aspiring managers who supervise or manage a team, or project officers and shift managers who are responsible for the day to day operational and project activities.
