Lancaster & Morecambe College

FREE WORKSHOP

Cyber Security Awareness for your business

Protecting yourself and your business from cyber security risks can seem daunting but there are some simple steps you can take to ensure you have the basics in place. This free, 3 hour workshop aims to introduce you to Cyber Security for your business and give you the awareness of threats and what steps can be taken to help mitigate those threats.

The main areas included in this workshop are:

- What is Cyber Security?
- Awareness of Cyber Threats of where they come from
- What steps you can take to protect your business

We will also provide you with further information and ways you can help protect yourself and your business.

Who is this Workshop for?

This 3-hour workshop is aimed at business owners, directors and senior managers of SMEs and is free to attend.
