

HR Skills Development Workshops

Enquire today!

Empower Your Managers. Strengthen Your Organisation.

Join our series of practical, engaging workshops designed to equip managers with essential HR knowledge and people management skills. Perfect for new and experienced leaders alike!

Introduction to HR

Gain a clear understanding of the employee lifecycle and the role HR plays in supporting both business objectives and employee wellbeing. **You'll learn:**

- The employee lifecycle and its impact
- HR's role in business success
- Manager responsibilities in people management

Recruitment Skills

Make confident hiring decisions with proven techniques for interviewing and selection. **You'll learn:**

- Recruitment fundamentals and interview preparation
- WASP model and competency-based interviewing
- Importance of job descriptions and documentation

Onboarding & Probations

Support new employees effectively during their most critical period. **You'll learn:**

- HR and manager roles in onboarding
- Conducting effective inductions and probation reviews
- Risks and consequences of poor onboarding

Appraisal Skills

Deliver meaningful appraisals that motivate and engage your team. **You'll learn:**

- How to prepare and structure appraisals
- Giving and receiving feedback
- Handling difficult conversations
- Appraisal methods and best practices

Equality, Diversity & Inclusion (EDI)

Create a respectful, inclusive workplace culture. **You'll learn:**

- Equality Act 2010 and reasonable adjustments
- Types of harassment and legal responsibilities
- Building a positive workplace culture

Disciplinary & Grievances (D&G)

Handle sensitive issues with confidence and fairness. **You'll learn:**

- ACAS Code of Conduct
- Why grievances arise and how to manage them
- Conducting fair disciplinary procedures
- Risks of mishandling D&G processes
