Employer Hub @ LMC

Catering Designed to Impress

Great events deserve great food, and our catering team offers a varied menu to suit every occasion. From fresh pastries and breakfast buns to business lunches and afternoon treats, our menus are designed to keep your guests fuelled, refreshed, and ready to engage.

Options include:

- Breakfast menus including breakfast buns or pastries
- Business lunches including sandwiches, hot and cold snacks, fresh fruit, and cakes
- Refreshment packages, including tea, coffee, biscuits

Bespoke catering options are also available for events that require something a little different.

A Space That Works for You

Whether you're planning a half-day meeting, a full-day conference, or a bespoke event, our Employer Hub Team is on hand to help you build the right package. With flexible room layouts and competitive pricing, the Employer Hub is an accessible and high-quality venue for organisations across the region.

Employer Hub

The Employer Hub at Lancaster & Morecambe College offers a modern, welcoming space designed to support productive meetings, inspiring training sessions, and successful corporate events. Located at the heart of the district, our purpose-built facilities provide a professional yet comfortable environment for teams, partners, and delegates.

A Flexible, Professional Space

Our 3 conference suites can be hired individually giving you the freedom to shape the space around your event. Each booking includes:

A warm welcome from our reception team

- High-speed Wi-Fi
- Presentation TV screens with either casting options or HDMI connectivity
- White Boards
- Access to our spacious networking foyer and lounge area

Whether you're hosting a strategy meeting, delivering training, or bringing colleagues together for a full-day conference, the Employer Hub offers a calm, well-equipped setting that helps people focus, collaborate, and achieve results.

LMC Gas Centre

The LMC Gas Centre provides Gas Safe Register accredited training courses in Natural Gas, LPG and Water Regulations for plumbing and heating engineers. We cover North Lancashire and South Cumbria, and are located 10 minutes off J34, M6.

- Unvented Hot Water and Water Regulations
- CCN1 Gas ACS – Gas Assessment
- LPG – Natural Gas Changeover
- CENWAT – Central Heating, Hot Water Heaters
- CKR1 - Cookers, HTR1 – Space Heaters
MET1 - Meters, RPH – Caravans

Working at Heights

Our Working at Heights Centre is approved by both IPAF and PASMA, and we are able to offer IPAF MEWP Operator courses and PASMA scaffold towers for users and low-level access courses. Designed for operatives and managers, these courses ensure compliance with work-at-height regulations through practical and theoretical instruction.

- Combined Low Level Access & Towers for Users (PASMA) 1-day course
- Towers for Users (PASMA) 1-day course
- Low Level Access (PASMA) 1/2 -day course
- 3A Mobile Vertical Lift (IPAF) 1-day course
- 3B Self-propelled Boom (IPAF) 1-day course

Immersive 360° VR Suite

Our Igloo virtual reality suite will enhance your conference experience, as it is designed to fully immerse you in a 360-degree, virtual or simulated world.

Our Igloo features projection-based technology which blankets walls with 360-degree imagery, allowing you to experience content simultaneously without needing individual headsets. The high-resolution, spherical imagery allows for 360-degree viewing, and can be easily operated from an App on your mobile phone.

See what our previous client have to say about our facilities:

"Stepping into an Igloo immersive space is just like stepping into a giant virtual reality headset. So hosting meetings in this space 100% makes the experience a better, more productive and corroborative use of our time. Rather than gathering around a laptop we were able to view the whole project around us, and it was so simple for me to operate just using my own mobile."

Clean Room Hire @LMC

Our purpose-built Clean Room offers a controlled, professional environment ideal for specialist training, product testing, demonstrations, and industry-specific development work. Designed to meet the needs of employers across manufacturing, engineering, healthcare, and science-based sectors, the space provides a high-quality setting where precision and cleanliness are essential.

The Clean Room is available to hire on a flexible basis. Whether you're delivering hands-on training, running assessments, or carrying out practical demonstrations, the facility offers a reliable, well-maintained environment that helps you focus on what matters.

Key features include:

- A controlled, low-contamination workspace
- Suitable for specialist training and industry-specific activities
- Flexible hire options to suit half-day, full-day, or multi-day use
- On-site catering and refreshments available with our Employer Hub menus
- Convenient location

The Clean Room is an excellent choice for organisations looking for a professional, ready-to-use space without the cost and complexity of maintaining their own controlled environment. Our team is on hand to help you plan your session and ensure everything runs smoothly.
